

VPB REGISTER OF INTERESTS

2025-2026

Troubles Permanent Disablement Payment Scheme

Introduction

This Register of Members' Interests reflects the interests of Members of the Victims Payments Board (VPB) as they stood at 2 July 2025. Please note that, where there are no interests included under an individual category, the Member has indicated that they have no registerable interests in relation to that category.

Purpose of the Register

The main purpose of the Register of Members' Interests is to give public notification on a continuous basis of those financial interests held by Members which might reasonably be thought to influence the way in which they act in their capacity as a Member of the VPB. The eight categories of registrable interests are described below.

Form of the Register

The entries in the Register are designed to give a clear description of the nature and scope of the interests declared. Each Member is, however, ultimately responsible for his or her own entry; inconsistencies of style or content in the Register are attributable largely to that fact.

The Categories of Registrable Interests

The form supplied to Members for the registration of their interests is divided into eight sections, which are represented in this Register by the following headings:

- Company Interests
- Self-Employment
- Charities
- Public Appointments
- Memberships
- Employment-related Legal Cases
- Family or Friends Links
- Other Interests
